

Mobile Money in Tanzania

A presentation on the uptake and use of mobile money in Tanzania

<http://www.fsdt.or.tz/finscope/>

50.56% of the
Tanzanian
population is
women

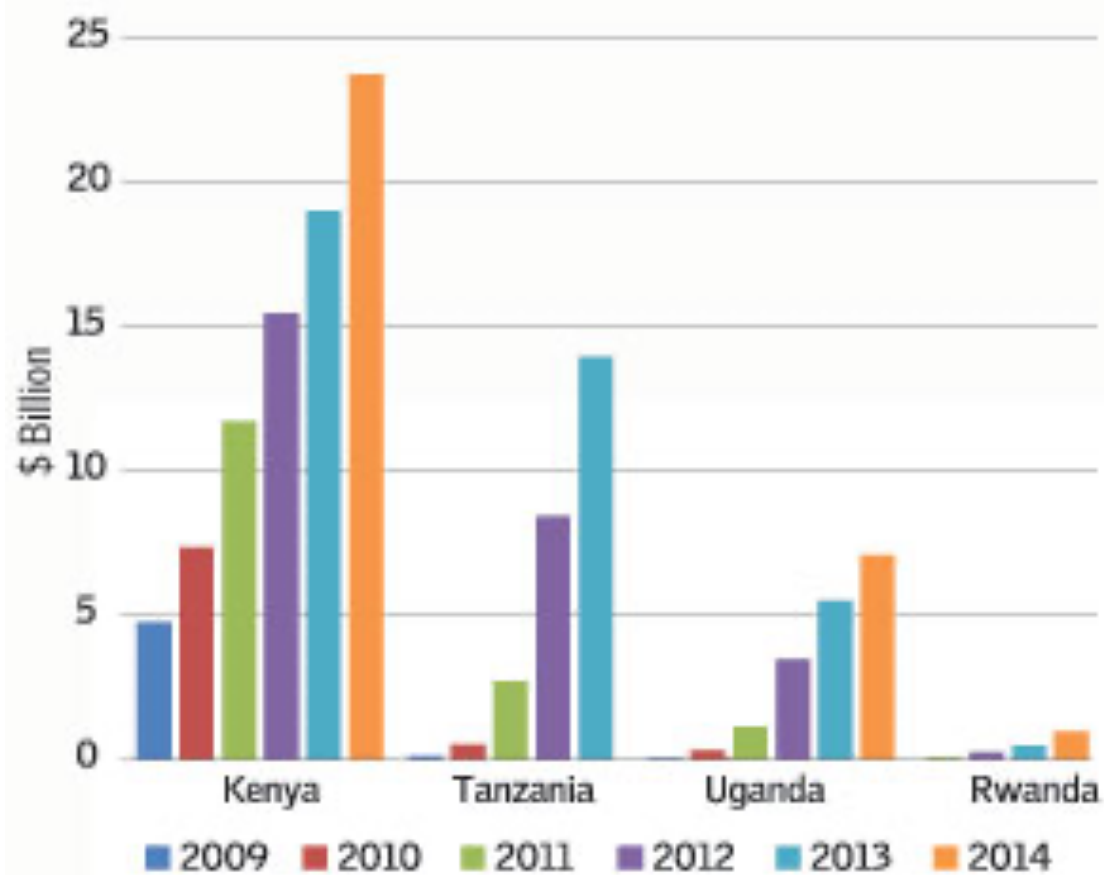

Only 42% of those women
now have bank accounts
vs 2% in 2013

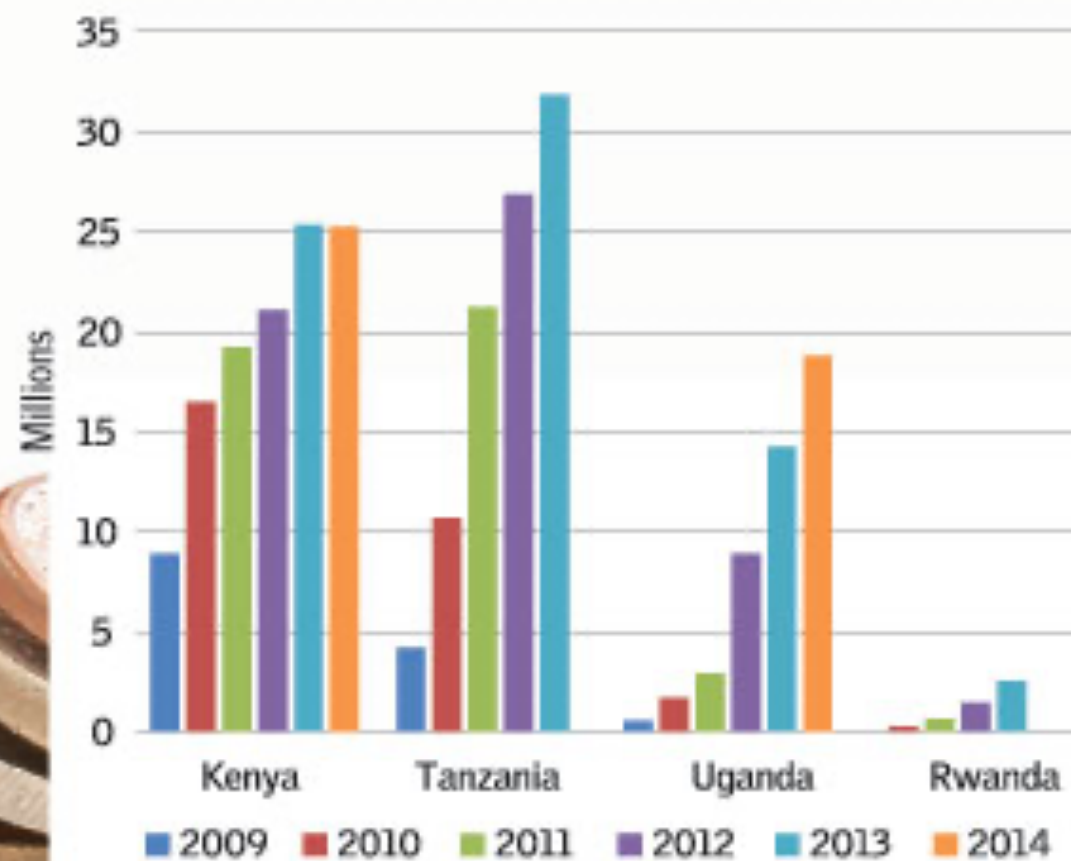

32% of the 52
mil. strong
population
exclusively use
mobile money

Volume of cash transacted via mobile money

Number of mobile money customers (millions)

How can we use
mobile money and
digital financial
services to include
and empower
women
